

# ASTLEY AINSLIE HOSPITAL GREENSPACE MANAGEMENT PLAN

## ENGAGEMENT & FEEDBACK

Come and hear more about the opportunities we've discovered so far for a Greenspace Management Plan for the Astley Ainslie Hospital (AAH) grounds. We are looking at ways we can make the greenspace a better place for people and for nature.

Developed by the NHS Lothian Charity, and facilitated by landscape architect LTLA, we will be hosting a series of pop-up engagement sessions across the AAH estate, with a series of boards where you can see the ideas so far and give us your feedback.

You will also be able to provide your feedback online through a Survey Monkey web link, which will go 'live' from the 22nd August to coincide with the face-to-face engagement series.

### MEET US IN THE GROUNDS, FOR A CHAT ABOUT ALL THINGS GREENSPACE!

#### Monday 22. August 2022

- 1 10am - 12pm, the lawn next to the Scientific Building
- 2 12:30 - 2pm, the lawn next to the Blackford Pavilion cafe

#### Tuesday 23. August 2022

- 3 10am - 12pm, in front of Charles Bell building (accessible)
- 4 12:30 - 2pm, next to Woodland House (accessible)

#### Monday 29. August 2022

- 5 10am - 12pm, at the OT therapeutic growing space
- 6 12:30 - 2pm, at the SMART centre (accessible)

#### Sunday 4. September 2022

- 7 11am - 2pm, the lawn next to the Scientific Building

#### ACCESSIBILITY

Accessibility is important to us. The information will be displayed on A1 boards, on stands in the lawn areas or next to paths. Locations next to paths are noted as accessible.

If you would like us to arrange to bring the boards to a more suitable location, or have difficulty accessing the online survey, please contact Liz:
